"Security and Service"

A COMPLETE INSURANCE OFFICE

Perhaps you think of us as writing "fire insurance" or "automobile insurance".

Wrong.

We do not "sell" one line and overlook others. Our duty to you is to study *your* hazards. Your pocket book may be threatened by fire, or accident, or burglary, or business interruption—or any of a hundred hazards, or your expenses may be too high, due to improper method in handling your insurance.

Some impression of the kinds of insurance we handle may be gathered from the following list, which includes but a part of them:—

Accident
Automobile (all lines)
Burglary
Boiler
Combination Residence
Earthquake
Explosion
Fidelity Bonds
Floaters (covering anything anywhere)
Fly Wheel
Furs
Group
Health
Hold Up
Jewelry
Life
Leasehold
Liability
Marine
Parcel Post
Personal Effects
Plate Glass
Profits
Property Damage
Rents
Riot
Sprinkler Leakage
Surety Bonds
Transportation
Use and Occupancy
Water Damage
Windstorm

To apply properly the protective armor of insurance now worn by all prudent men has become a highly specialized and technical job.

You cannot make for yourself a detailed study of forms and methods, but it is vitally important to you that you have the right protection, properly written, in dependable companies.

Turn your insurance matters over to us. We have made insurance our life work. We deliver not merely policies but peace of mind—contentment.

SPRINGFIELD STREET GUIDE

AND DIRECTORY OF HOUSEHOLDERS

EXPLANATORY NOTES

The streets are arranged alphabetically with their description, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arrangement by rotation where no numbers have been assigned.)

The abbreviation r between the street number and the name signifies "rear."

The word "vacant" after a number signifies that the house office or store at that number was vacant when canvass was made.

* Denotes parties having telephones.

"(I-A)" indicates marginal index for locating street on the map.

"(Right odd)" Odd numbers on right hand side of street.
